

**URBAN DESIRE**

*A departure from the everyday*

Step aboard. Feel the intimacy. Feel the privacy. Feel the setting you can't get on a large dinner yacht. Urban Desire is perfect for couples, families, or groups up to 6 guests. A cruise on Urban Desire is for special occasions, or just for a fun romp around the harbor with the skyline of Manhattan as your personal backdrop.

*T*urn the trip into a picnic under the soaring cliffs of the Palisades, cruise up the Hudson to Bear Mountain, anchor in a Long Island cove, or just quietly glide past the Statue of Liberty at sunset. Enjoy a private viewing of the city while dining on meals prepared by crew ... and for a few hours, let all of Manhattan's noise fall away.

The Lower deck hosts an air-conditioned Main Salon with couch, overstuffed club chairs, TV with DVD/VCR, complete galley with stove, oven, microwave and full sized refrigerator/freezer and washer/dryer.

*T*wo well appointed staterooms will cradle you in comfort. Each has TV/DVD/VCR and ensuite bath with shower. The aft master cabin has a walk-around queen bed and the forward guest cabin has twin beds convertible to a full double.

## *Relax*

Enjoy the sun from the full width bow deck lounge, on the sun deck, or join us on the upper flybridge for shaded, birdseye 360-degree views. Get into the water for swimming or dinghy access from the teak wood swim platform
